Term 4 Week 10

19 December 2018

DATE	EVENT
Wednesday 30 January 2019	Year 1 – 6 Students commence
Friday 1 February 2019	Kindergarten students commence

## Principal's Report

### Year 6 Farewell

A wonderful night was had on Monday at the Year 6 farewell, the official function to acknowledge our graduating students. After dinner and dancing, each student was presented with their graduation certificate, Year 6 photo and year book. We also acknowledged families who are finishing their time at Normanhurst with their youngest child in Year 6. Thank you to the amazing organising committee of dedicated parents and to Mr Sheridan, Ms De Palo and Ms Moore for all of their work to create such a special night for the students. Goodbye and good luck Year 6 2018 – we will miss you!

## Reflections on 2018

2018 has been another successful year at Normanhurst Public School and has seen many achievements in relation to our 2018-2020 School Plan. These include:

- The expansion of the 'What's the Buzz?' social skills program. This program, led by our Learning & Support Teacher Ms Duncan, targets students who may need additional support with social skills and takes them through a series of lessons focused on responding to various common social scenarios.
- The commencement of the implementation of Visible Learning, with our school partnering with Corwin for professional learning in this area. Teachers are programming with Learning Intentions and using Success Criteria for tasks such that students are clear on what they are learning and how they know when they have achieved set outcomes. We have also started professional learning on assessment and feedback within this project and this term teachers completed Instructional Rounds in stage groups based on areas such as teacher feedback and peer feedback.
- The implementation of Phase 2 of the Positive Behaviour for Learning program, focused on classrooms. This phase has included aspects such as having clear and consistent expectations in each classroom, explicitly teaching these expectations, and developing a school-wide flowchart as to how to address incidents of inappropriate behaviour so that they are dealt with in a fair and consistent manner. As part of PBL, data from playground and classroom settings is recorded and analysed each term to ensure as a staff we can develop pro-active solutions to problem areas.
- The implementation of whole-school evidence-based teaching programs in English ('Soundwaves' Spelling program and 'Seven Steps to Writing Success' program) with associated professional learning for teachers and whole-school scope and sequences to ensure all concepts of the syllabus are covered throughout K-6.
- The development and implementation of a whole-school scope and sequence for Mathematics that utilises pre- and post-testing to ensure any learning gaps for students are identified and addressed promptly.
- Professional learning across our NorthSEA Community of Schools including an 'English through Drama' joint project with Asquith PS completed by Ms Grimmond and Ms Patel, a growth mindset workshop led by Dan Haesler and attended by all teaching staff, a Beginning Teacher Network attended by two of our teachers and an Aspiring Leader Network attended by three of our teachers.
- A Parent Forum in relation to the School Plan to ensure our whole school community had the opportunity to be informed regarding key projects.
- A parent workshop on 'Resilience' led by NSW Health.
- A trial of flexible learning spaces in Stage 3 classrooms, with the purchase of furniture to facilitate flexible seating and innovative approaches to instruction.
- The transition of our school website to a new platform
- The implementation of new procedures for our Student Representative Council to ensure ease of enabling student voice in relevant school decisions
- The continuation of our Enrichment program to extend identified students
- The continuation of our Mathematics Mentoring program with Normanhurst Boys High School
- The continuation of our Numeracy Support Program, with the school funding a day each week for Ms Duncan to lead this program.
- The continued implementation of the Targeting Early Numeracy (TEN) Program across K-2 and for selected students in 3-6 to ensure the development of basic numeracy skills at an individualised level for each student
- The completion of whole-school External Validation, with an external panel reviewing evidence as to where our school sits on the School Excellence Framework

## Congratulations Gemma

I am thrilled to share the very exciting news that the artwork Gemma M entered into the competition for the Calendar for Cultural Diversity was selected to be published! This is an amazing achievement as entries are received from across New South Wales. Copies of this calendar are distributed to all NSW public schools to be hung in classrooms, so Gemma's artwork will have a very wide audience! Thank you to Ms Brisot for coordinating the entries in this competition.

## 2019 Student Leaders

Thank you to all of the parents who attended our Presentation Day assemblies to see their children receive awards. It was a wonderful opportunity to celebrate the achievements of many of our students this year and the Concert Band and Choirs performed brilliantly. The 2018 student leaders did an excellent job leading the assemblies. At our Presentation Day, our 2019 student leaders were announced. Congratulations to:

School Captains: Ashleigh D and Louis M

Vice Captains: Lia T and John Y

Prefects: Zoe H, Cassidy M, Harry S and Liam T

Other student leadership positions will be elected and organised at the start of the 2019 school year.

## Obstacle-a-thon Highest Fundraisers' Lunch

Last Friday the highest fundraisers from each year level for the Obstacle-a-thon, held earlier this term, were invited to a special lunch with me to acknowledge their efforts. We had a wonderful time and enjoyed the treats provided. Special congratulations to Lachlan M who was the highest fundraiser of all students and was presented with a certificate and Wet 'n' Wild voucher at the lunch. Thank you to Emma Veale for coordinating the Obstacle-a-thon, prizes and lunch.

## Talent Quest

Well done to all of the students who performed acts as part of our annual Talent Quest yesterday. Thank you to Ms Grimmond for coordinating this event. The teachers also presented an act we have been rehearsing over the last few weeks to get into the spirit! We hope the students enjoyed our dance moves as we had a lot of fun performing them.

## Student Reports

Student reports were sent home in sealed envelopes on Monday. Please read your child's report in conjunction with the Achievement and Effort level descriptions provided. A 'Sound' achievement level denotes that a student has a sound knowledge and understanding of the main areas of content and has achieved an adequate level of competence in the processes and skills; whilst a 'Sound' effort level denotes that a student has applied themselves satisfactorily throughout the semester. Please retain the report in a safe place as we are not always able to re-print reports at short notice. If you have any questions regarding your child's report, please see their class teacher.

## 2019 Beginning of Year arrangements

It is anticipated that students will remain in 2018 classes when they return such that we can ascertain our exact student numbers. We will form 2019 classes as soon as possible in the first week of school. 2019 Kindergarten students have their Best Start Interviews on Wednesday 30 January and Thursday 31 January and commence normal classes on Friday 1 February. Students in Years 1-6 will commence on Wednesday 30 January.

## Happy Holidays

I hope everyone has a wonderful Christmas and an enjoyable break. The students have worked really hard this year and have earned a good rest! Thank you for the support you have provided throughout 2018.

Kind regards,

Amber Gorrell  
Principal

---

## Year 6 Farewell

### Year 6 Farewell 'Bon Voyage'

It was truly wonderful to see all our current Year 6 students dancing the night away and enjoying their last formal function at Normanhurst. After seven years, their high school journey is about to begin. Thank you to all the Year 5 parents who volunteered their time and/or services at this particularly busy time of year to enable us to give them a night to remember always.

- Jason A (Ani's Dad) - your invitation design was fun & fabulous.
- Moni S – your passports were a hit.
- Chris M – our light and sound guru.
- Bill P from Sweet Connoisseur – yummy chocolate cupcakes were enjoyed.
- Anna Z & Michelle B – how fun was the photo booth?
- Decorating Team – Kaarin A, Davina G & Lisa R, our vision came together beautifully.
- Install Team – Geoff W & Wendy D, your time in the morning was invaluable.
- Catering Team – Donna K, Kylie M and your team of servers Amanda D, Heather K, Fiona P, Mandy P, Jo S & Alex W, dinner was delicious.
- NPS Staff – Alice, Deb, Kate, thank you for all the last-minute running around.  
Mr Sheridan, Ms Moore & Ms De Palo for taking care of the formalities.

Time for a rest now Year 5! Thank you again.

## P&C News

[www.npspandc.com](http://www.npspandc.com)

<http://www.facebook.com/NormanhurstPublicPC>

I'd like to extend my thanks again to everyone who contributed to our Carols Night last week. It truly was a highlight to our calendar year with Santa popping in for photos to begin the night.

Thank you Stuart R, who printed photos on the night and I must congratulate the Fundraising Team and all their helpers who delivered a well catered BBQ, Raffle and Santa Photo fundraiser on the night. Thank you to everyone who assisted us to raise \$1800 for our school, \$272.40 for the Hornsby Women's Shelter and \$127.40 for Buy a Bale, these donations are greatly appreciated and we look forward to allocating our school funds towards some amenities at the next P&C meeting in Term 1 Week 3, when we unveil the plan for 2019. I wish you all a Merry Christmas and Happy New Year, stay safe and enjoy the school holidays.

Melissa Logan  
**P&C President**

## P&C Social and Fundraising

### Carols Night

What a beautiful evening Normanhurst Public School displayed at their annual Carols Night Tuesday 11 December. All the hard work our children and teachers put in made the evening very magical. Thank you to the Fundraising Committee for organising a sausage sizzle, raffles and Santa photos. You ensured the Carols Night ran smoothly and successfully. We also had many parents and grandparents help before, during and after the event which is very much appreciated!

Stay tuned in the New Year for upcoming new and exciting Fundraising Events!

Pam Gins  
**P & C Fundraising Coordinator**  
fundraising@npspandc.com

### Tea Towel Update

The first batch of tea towels were distributed last week. Don't they look fabulous?? If you have ordered one and have not received it, it's likely it is in the re-order batch which we are waiting on the arrival of. If you would like me to personally deliver your tea towels during the holidays when the second batch arrives later this week, please contact me directly on the email below and I will ensure it gets to you before Christmas. I did not anticipate such a positive response – thank you to all those who purchased a tea towel and supported this fundraiser
