Wednesday 29 to Friday 31 January 2020	Kindergarten Best Start
Monday 3 February 2020	First Day for Kindergarten Students

Principal's Report

Dear Parents and Carers,

Year 6 Farewell

A lovely evening was had on Monday at the Year 6 Farewell, our official function to acknowledge our graduating students. After dinner and dancing, each student was presented with their graduation certificate. We also acknowledged families who are finishing their time at Normanhurst with their youngest child in Year 6. Thank you to the amazing organising committee of dedicated parents and Mr Sheridan; to Ms Taylor who spent many hours collating information and photos for the year book; and to Ms De Palo and Ms Moore for all of their work in rehearsing dances with the students and creating a photo montage for the event. Goodbye and good luck Year 6 2019 – we will miss you!

Reflections on 2019

2019 has been a productive and exciting year at Normanhurst Public School. With the continuation of our 2018-2020 three-year School Plan, developed with input from staff, students and parents, we have initiated and continued a range of programs towards our strategic directions of responsible and reflective learners; collaborative and innovative practice; and effective and adaptable systems.

2019 has seen us focus on formative assessment and feedback from teacher to student, student to student, and student to teacher as a means for students to focus on individual goals and make maximum progress in their learning. It has seen our Positive Behaviour for Learning program continue and expand, with implementation of processes to support students in meeting expectations and developing skills to assist them to function in and

Be Responsible. Be Respectful. Strive for Success.

contribute to broader society. We have collaborated with a number of local schools and opened up our classrooms to share practice and invite feedback on progress on our initiatives, with this outsider view assisting us to reflect on our practice and set goals for our next steps. We have also integrated new technological resources within our teaching programs, including Robotics equipment, and held our annual parent forum, this year focused on engaging our community with the content and processes of the Science and Technology curriculum.

Physically, our school has undergone considerable transformation this year, with our new security fence, a number of new access ramps, new roofing, landscaping work, the installation of our K/1 playground equipment, painting work, an upgrade to the furniture in our library and a redesign of our administration space.

In 2019 we have seen many impressive achievements across our school. Just to list a sample of these:

- Two students represented Beecroft Zone at the Sydney North Area Swimming Carnival; two students competed at Area level in Cross Country and three students progressed to Area level in Athletics
- One of our students progressed to the regional level of the Multicultural Perspectives Public Speaking competition after winning the district final
- Two students received offers for the 2020 Opportunity Class and eight students received offers for Selective High schools
- Both our girls and boys PSSA T-ball teams made the grand final of their respective competitions, with the girls' team winning their grand final
- Our Senior Choir performed at Sydney Town Hall as part of the 2019 Primary Proms event
- The artwork of one of our students was selected for publication in the Calendar for Cultural Diversity, which is distributed to schools all across the New South Wales public education system, and another student's artwork was selected as runner-up in the OzKids Art Program
- Our Junior and Senior Dance groups auditioned successfully for the Sydney North Dance Festival and placed second in their respective sections in the Battle of the Primary Schools, and our Boys Dance group was highly commended in their section at The Hills Dance Spectacular
- 300 of our students completed the Premier's Reading Challenge, with 12 students receiving a platinum award for seven years of participation in the challenge
- In ICAS competitions our students were awarded 39 Distinction and 10 High Distinction awards.
- Our students raised money to support drought-affected farmers and Stewart House, and donated Christmas gifts through the Kmart Wishing Tree Appeal
- Our canteen received Healthy School Canteen status
- All students embraced the environmental initiatives of Nude Food Days and Return and Earn recycling; and
- Our school was identified by the Australian Curriculum, Assessment and Reporting Authority as having demonstrated substantially above average gain in NAPLAN.

Carols Afternoon

Thank you to all of the families who attended our afternoon performances last Friday. It was wonderful for the students to have an audience for the items they had been preparing with their teachers over the last few weeks. They did a fantastic job and ensured everyone got into the festive spirit. Special thanks to Ms Froment, Ms Moore and Ms Stewart who coordinated the event, along with Mrs Manton who once again did a great job with the sound. Thank you also to Mrs Pollard and Mrs Kim for their devoted efforts with our choirs throughout 2019. Thank you all who attended for the support with our staff item. It was a brave move for many of us for whom singing is not our strong point (although Ms Khoo has a lovely voice!).

2020 Student Leaders

Thank you to all of the parents who attended our Presentation Day assemblies to see their children receive awards. It was a wonderful opportunity to celebrate the achievements of many of our students this year and the Jazz Ensemble and Choirs performed brilliantly. The 2019 student leaders did an excellent job leading the assemblies. At our Presentation Day, our 2020 student leaders were announced. Congratulations to:

School Captains: Joshua P and Annemieke T

Vice Captains: Max C and Grace M

Prefects: Callum A, Joanna C, Alex K, Elissa U

Other student leadership positions will be elected and organised at the start of the 2020 school year.

Talent Quest

Well done to all of the students who performed acts as part of our annual Talent Quest yesterday. It was great to see so many students sharing their talents! Thank you to Ms Jones for coordinating this event. The staff also performed a dance act for the students, demonstrating that it is all about the fun of participating!

Term 4 Invoices

Term 4 invoices are now overdue. We request that parents / carers who have not made payments for excursions or events that their children have participated in this year do so today.

Student Reports

Student reports were sent home in sealed envelopes on Monday. Please retain the report in a safe place as we are not always able to re-print reports at short notice. If you have any questions regarding your child's report, please see their class teacher.

Positive Behaviour for Learning

During this fortnight all classes are revising expectations for our school bathrooms and how our school expectations relate to this setting. The Week 9 recipients of our PBL draw were Olivia D, Stanley F, Sophia R and Alyssa R.

2020 Beginning of Year arrangements

It is anticipated that students will remain in 2019 classes when they return such that we can ascertain our exact student numbers and determine if we are able to proceed with our planned classes. We will form 2020 classes as soon as possible in the first week of school. 2020 Kindergarten students have their Best Start Interviews on Wednesday 29 January, Thursday 30 January and Friday 31 January and commence normal classes on Monday 3 February. Students in Years 1-6 will commence on Wednesday 29 January.

Happy Holidays

Best wishes for a great Christmas and New Year and a wonderful break. It has been fantastic to see the many achievements our students have made throughout 2019 and we appreciate your support in providing the abundance of opportunities we offer at Normanhurst Public School. We look forward to working with you again in 2020.

Kind regards,

Amber Gorrell

Principal

Office News

Student Wellbeing – Health Care

The office staff are currently reviewing and updating Individual Health Care Plans in preparation for students transitioning to new classes for 2020.

Information about allergies, medical conditions such as asthma, anaphylaxis, diabetes and other health care related issues should be provided to the school by parents and updated every 12 months. This information will greatly assist our school in planning to support your child's individual health and wellbeing for the upcoming school year. We appreciate your assistance in this regard and assure you that any information you provide the school will be stored securely and be kept confidential.

When a medical practitioner has prescribed medication that must be administered during the school day, parents are responsible to request the school's support in writing. Students must not carry medications unless there is a written agreement between the school and the student's parents that this is a planned part of the student's individual health care support.

Please consider the following points when communicating with our school about your child's health care needs:

- ✓ liaise with the child's medical practitioner about the implications of the child's health condition for their schooling.
- ✓ where medication is prescribed, ask the medical practitioner whether the medication is available in a form which minimises or eliminates the need to provide the medication during the school day.
- ✓ convey all relevant advice and information from the medical practitioner to the school
- ✓ provide prescribed medication and 'consumables' for administration by the school in a timely way and as agreed with the principal and described in your child's Individual Health Care Plan.
- ✓ collaborate with the school in planning to support the child's health needs at school including updating information and reviewing plans.

Please contact the front office (9489 1152) should you require a note requesting the school's support for your child's personal health care needs. Those parents who have already provided the school with this relevant information need only inform the school if your child's health care needs have changed.

Lost Property

If your child has misplaced any belongings please check our lost property bin located just outside the front office. On Friday, all lost property items that have not been claimed will be donated to the uniform shop clothing pool.

Please label all your child's belongings with their full name and current class so we can return it back to them. So many items of clothing are not labelled with student names and sadly many items are never returned. Please help us with keeping lost property to a minimum and label your child's clothing!

Kind regards,

Alice Bell
School Administrative Manager

Mosaic Club

Final mosaics for 2019!

Our final mosaics for 2019 have been completed. Check out two more stepping stones for the K-1 playground and a beautiful rainbow outside the Learning Support and EAL/D rooms. Enjoy!

Janelle Duncan
Organising Teacher

P&C News

On behalf of the P&C, we wish you a Merry Christmas and a Happy New Year. Thank you for supporting our fundraisers and events in 2019. The funds raised will be put to good use over the holidays to install 5 new smartboards in our classrooms and we are very much looking forward to seeing our lower playground astro-turfed these holidays. Looking towards 2020, our Community Building Grant is due to be announced in early March, where we intend to start budgeting towards astro-turf and new soccer goals for our oval. This large project is an exciting step towards our joint school and P&C goal to improve the grounds for our children to play.

Have a safe and happy holidays,

Melissa Logan
President

Uniform Shop News

Uniform Shop News

The uniform shop is now closed for the year. We will re-open on the first day of Term 1 (see below for times).

From everyone at the uniform shop, we would like to wish the school community and their families:

**Merry Christmas
&
Happy New Year!**

Back-to-School 2020 Special Opening Times

Please note the uniform shop will be open **9.15-10.30 a.m.** on **Wednesday 29 January** and **Thursday 30 January 2020** (First and second day of Term 1) for all your last minute uniform needs for the new school year.

Regular Opening Times for Term 1 2020

Our regular opening times for Term 1 next year will be **8.30-9.30 a.m.** and **2.30-3.30 p.m.** on the following dates:

Week 1: Friday 31 January
Week 3: Friday 14 February
Week 5: Friday 28 February
Week 7: Friday 13 March
Week 9: Friday 27 March

Online Orders

Orders placed over the school break will be processed and packed on Wednesday 29 January 2020. Please email through a completed order form, along with proof of payment (the current order form can be found here: <http://www.npspandc.com/uniform-shop/>).

Volunteering in the Uniform Shop

Thank you to all those who have volunteered their time to help in the uniform shop. Your help is very much appreciated. If you would like to be involved in 2020, please do get in touch by sending an email to uniformshop@npspandc.com.

Thank you to everyone for your continued support of the school uniform shop.

Kate Ward
NPS Uniform Shop

The School Opal card

The School Opal card gives eligible students free or discounted travel between home and school using metro, train, bus, ferry and light rail services you nominate in your application.

Who can apply?

To be eligible for a School Opal card, students may need to live a minimum distance from their school:

Years K-2 (Infants)

There is no minimum distance.

Years 3-6 (Primary)

More than 1.6km straight line distance or at least 2.3km walking.

Years 7-12 (Secondary)

More than 2.0km straight line distance or at least 2.9km walking.

If you live too close to be eligible for free travel, you may still qualify for a School Term Bus Pass, which offers travel on buses between home and school at a discounted rate for the whole school term.

Who needs to apply

A new application is only required if the student has not had a School Opal card before.

If the student already has a School Opal card and is changing schools, campuses or home address, you will need to update their Opal card for the new school year before mid-December at apps.transport.nsw.gov.au/ssts

How to apply

Applications for next year open at the start of Term 4 this year.

Step 1

Once the new school has confirmed your child's enrolment, complete the application at apps.transport.nsw.gov.au/ssts

Step 2

The school endorses your application.

Step 3

Once Transport for NSW has approved the application, a School Opal card will be sent to the address provided on the application.

A parent or guardian must apply for students 15 years and under. Students 16 years and over can apply for themselves.

Better together

The School Opal card is only for travel to and from school. So it's a good idea to get a Child/Youth Opal card for travel after hours, on weekends or during school holidays.

Child/Youth Opal card benefits

- Concession fares across the Opal network
- Half-price travel after eight paid journeys each week*
- \$1 transfer discount for every transfer between modes (metro/train, ferry, bus or light rail) as part of one journey within 60 minutes from the last tap off†
- Set auto top up and link it to your credit or debit card so there's always enough value on the card to travel.

Find out more at transportnsw.info/opal or pick one up from an Opal retailer. To find a retailer in your area visit transportnsw.info/opal-retailers

Secondary students aged 16 and over can travel with a Child/Youth Opal card when carrying a NSW/ACT Senior Secondary Student Concession Card, available from school offices.

* Excluding Sydney Airport station access fee.

† The Opal Transfer Discount doesn't apply when transferring between light rail and Sydney Ferries.

Privacy

For information on how we handle personal information please refer to the Opal Privacy Policy at transportnsw.info/tickets-opal/opal/opal-privacy-policy and the School Pass Terms apps.transport.nsw.gov.au/ssts/#/termsAndConditions

School Zone Road Safety

December 2019

End of year road safety tips for parents and carers

The lead up to Christmas and the holiday period can be a very busy time of year. With this comes traffic congestion, fatigue and distraction. Here are some tips to help you get through it:

- Allow extra travel time to get to places.
- Avoid alcohol if you plan to drive.
- If travelling with packages in your car, place them in the boot or restrain them with a seatbelt to avoid them moving about while driving. In a crash unrestrained objects can cause severe injury to vehicle occupants.
- Ensure pets are properly restrained.

Tips for preparing to walk or cycle to school in 2020

Now is a great time to think about and plan how your family will travel to school next year. Walking (even part of the way), cycling, or catching a bus to school is a great alternative to school zone congestion.

- Plan a safe route with your child/ren.
- Identify safe crossing locations.
- Discuss how to spot dangers such as vehicles exiting driveways.
- Be aware of your surroundings
- Leave balls, mobile phones, and headphones in your bag.

NSW double demerit driver and rider offences

Double demerit points apply for speeding, seatbelt, motorcycle helmet and mobile phone offences during the following holiday periods:

Christmas Day to New Years Day:

Starts Friday 20 December 2019 to Wednesday 1st January 2020 (inclusive).

Australia Day:

Starts Friday 24th January 2020 to Monday 27th January 2020 (inclusive).

In the car - Journeys with kids

It is important your child is restrained in the correct child car seat for their age and size:

- It is recommended to keep children in a booster seat until they are at least 145cm in height.
- A child that is correctly secured in an approved child car seat is less likely to be killed or injured in a crash than one who is not.

**Model safe and considerate behaviour for your child.
Remember, road safety starts with you!**

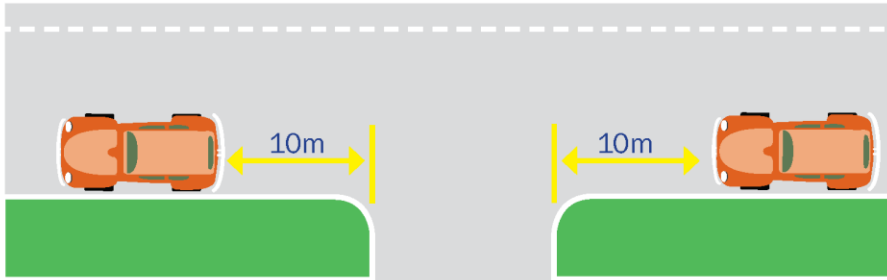

This is a road safety initiative from Hornsby Shire Council. For further information contact the Road Safety Officer

Parking Rules

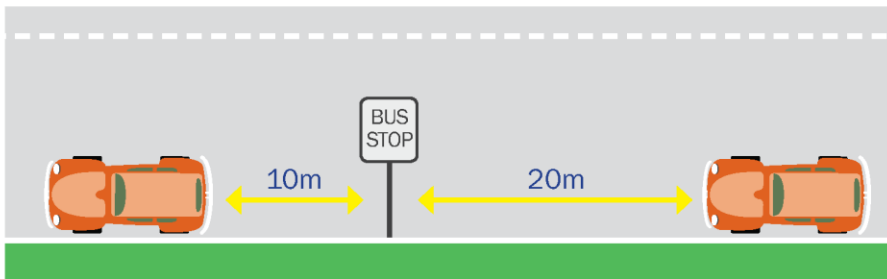

Please park safely and legally on the streets around your school. Park legally so you do not incur parking fines and demerit points. Council's Traffic Compliance Officers enforce parking around schools. If you park contrary to the road rules you will be fined!

You cannot stop or park your vehicle:

Within 10m of an intersecting road at an intersection without traffic lights (20m with traffic lights), unless a sign states you can park there (see image at left).

PENALTIES FROM: \$344
Demerit Points apply

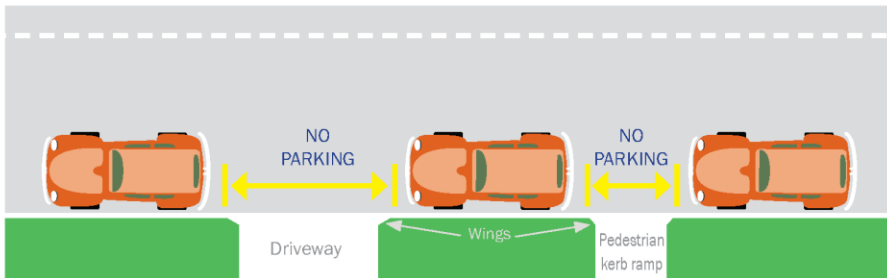

Within 20m before and 10m after a bus stop (see image)

PENALTIES FROM: \$268
Demerit Points apply in School Zone

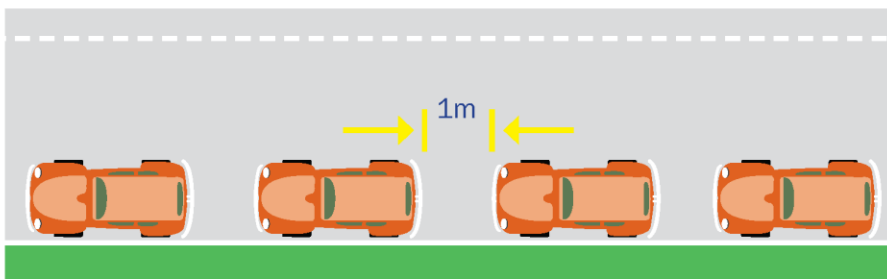

Parallel parking

This is the usual way to park unless signs tell you otherwise. You must park in the same direction as the adjacent traffic and parallel and as close as possible to the kerb.

You can NOT park across driveways or pedestrian kerb ramps. A vehicle can be parked up to the wings on the driveways or ramp (see image)

PENALTIES FROM: \$268
Demerit Points apply in School Zone

You should park at least one metre from any other parked vehicle and entirely within any marked parking lines where provided (see image)

PENALTIES FROM: \$114

For a list of all school zone driving and parking offences in New South Wales visit:
<https://www.rms.nsw.gov.au/documents/roads/safety-rules/demerits-school.pdf>

This is a road safety initiative developed by Hornsby Shire Council
