## Principal's Report

Dear Parents and Carers,

### Band Showcase Evening

I very much enjoyed attending our Band Showcase on Friday evening. This was a wonderful culmination of our band program for 2019 and demonstrated the dedicated efforts of our band students throughout the year. The progress they have made and the way they have worked together is truly impressive. It was also great to see the special solo and group performances from our Year 6 band students. Being able to play an instrument is a special talent that I am sure our band students will cherish for years to come. Thank you to our Band Committee, conductors, tutors and staff members Ms Williams, Ms Froment and Ms Ironside who have all contributed to the success of the band program.

### Chess Tournament

Today our annual Normanhurst PS Chess Tournament is being held. It is great to see so many students involved and all participants are competing well. We look forward to hearing the results later in the day. Thank you to Ms Spender who coordinated the tournament with the Sydney Academy of Chess.

### Normanhurst Boys High School Visit

Last Thursday morning students from Normanhurst Boys High School came to visit our school. Some of the Year 9 students worked with our Kindergarten students and read children's books that they had written and illustrated themselves. Year 10 Drama students performed a circus show for our Years 3-6 students. We value our collaborative work with Normanhurst Boys High School and thank them for organising this visit.

## 2020 Planning

This term we are planning for 2020 classes. To assist in this process, it is most helpful if we have accurate student numbers. If your child will not be returning to Normanhurst Public School in 2020, please send written advice of this to me as soon as possible.

If you have particular information related to your child's 2020 placement of which you feel we need to be aware, please put this in writing (letter or email) addressed to myself and ensure I receive it prior to **this Friday 22 November at the absolute latest**. Please note that changes will not be made after classes are formed so if you have any information you wish to be considered we need to be advised of it now. If you have submitted such requests in the past, you will need to re-submit these for 2020. It is also important that the information is received in writing and directed to me, as verbal requests to class teachers will not be considered.

Please note, this is not a process to request specific teachers. Assumptions should also not be made that teachers will necessarily be teaching the same year level in 2020 as they have previously. All of our teachers are qualified to teach K-6 and allocations are made based on preferences teachers submit to me and the overall effective operation of the school.

The written requests we do receive prior to the deadline will be considered when forming classes for next year. **We are not able to reply individually to these requests but all requests are noted.** However, in the context of many factors needing to be addressed, we cannot necessarily meet all requests.

## Positive Behaviour for Learning

During this fortnight all classes are revising expectations for assemblies and how our school expectations relate to this setting. The Week 5 recipients of our PBL draw were Charlotte A and Douglas R.

## Peer Support

### This week in Peer Support ...

It is the final session of Living Positively and the students will reflect on what they have learned in Peer Support. They will remember to think optimistically, persevere and use positive self-talk. The students will learn about a model – I laugh, I live, I love. This will help them to remember the activities they enjoy, their strengths and to show appreciation to others.

### During the week we encourage you to...

Discuss with your child ways they can live positively.

## SRC News

This term the SRC will be trialling a new recycling initiative.

We will be collecting eligible bottles that can be taken to a Return and Earn Centre. There is a bin located in the top COLA where students will place any eligible bottles or cans. The main items we will be collecting are juice bombs and water bottles that students purchase as part of lunch orders. The SRC will use the money saved to make small improvements to our school environment.

For more information about return and earn, please visit <https://returnandearn.org.au/how-it-works/>.

We are very excited to help reduce rubbish waste, recycle and raise some money for our school at the same time.

### Ms Williams & the SRC

# Normo's Got Talent

This year Normanhurst Public School will be holding its annual Talent Quest on **Tuesday 17 December 2019**. Our students here are all very talented and to ensure as many items as possible can be scheduled, we need to organise in advance. We ask that students all adhere to the **2 minute maximum** for their item and **one item only per person**. (Note: students may appear in a *maximum* of two if one is a solo and one is a group item.) A separate form must be submitted for each item.

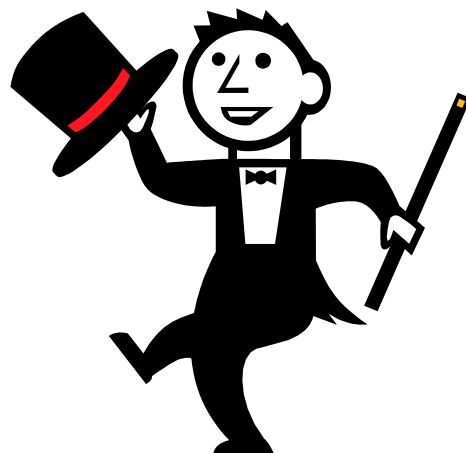

Students need to provide their own music on a CD clearly labelled with their name and track. It will need to be collected after the performance. All props and costumes are the responsibility of the performers. Please indicate if a microphone is required.

It is a requirement that all entrants complete an entry form (available from the office) and submit it to Ms Jones or Ms Khoo **no later than Friday 6 December**.

Mufti may be worn on Talent Quest Day and students may like to bring a cushion or pillow to sit on in the hall.

Please note: This is a showcase day, not a competition. All entrants will receive a participation certificate.

## Band News

Like many of you music plays a big part in my life. Outside of school, I play piano and do a lot of ballet; at school, I am in the senior dance group and the choir...and, of course, I am in the band.

I have always loved music. When I was very little (about 2 years old) I used to dance around the house blowing "tooty-toot" through a toilet role. It seems I was destined to play the trumpet!

I am so fortunate to go to this school where any student can learn to play music even if you have never seen a note before. The band programme at NPS is excellent. We have opportunities to play at school and in festivals and concerts. The band conductors, Mr Sismey and Mr Allen are always encouraging, caring and supportive and Band Camp is fantastic fun! Thank you both for all the time and energy that you give to our bands. Thank you too to Ms Gorrell, Ms Williams, Ms Foment and Ms Ironside for all that you do for the bands. Thank you especially to Lisa Manton and the Band Committee for the hours and hours that you contribute to making band such a great experience.

I have learned a lot since I joined the band. I have learned how to play my trumpet and I have learnt how to read music as smoothly as reading a book. I have played at many festivals and got constructive feedback from adjudicators and other conductors which has been helpful and encouraging. But band offers so much more than this. I have learned to be super-organised. I love hearing the different sounds and music. The conductors make me laugh and I can't help smiling when we make a beautiful sound. I have learned to love each instrument in their own way and can't wait to get to band. I am always up before my parents, ready to go to band no matter how early. Parents, I'm sure that you'll agree that although the early mornings (especially in winter) are hard work, once you hear the band you know it's for a good cause. Band has also been a great way to challenge myself and make new friends. Band is so much fun and I have loved getting to play music with my friends!

If I had one piece of advice for those who are coming into the band program it would be this – have a positive attitude and a growth mindset. Give everything a go! Every new piece of music is a challenge; working as a team takes patience; playing on stage takes courage but if you just give it your best shot and remember how much you love playing, it will all be fine.

And finally I know that all the students here tonight wouldn't be here without the help of our amazing and dedicated parents and tutors. Thank you to you all for your tireless work. Mum and dad, you have always been there for me all my band life and I'm very grateful. I hope to carry on playing my trumpet in high school and I wish Year 6 good luck for next year. I won't be leaving yet as I'm in Year 5 and I am looking forward to another year playing great music with my friends in band.

It has been an honour to be Band Captain.

Thank you .

Joanna C

The Uniform Shop strives to offer the best possible service to our school community whilst keeping prices as low as possible. In order to do this, we ask that wherever possible you visit the shop to try before you buy.

With a few exceptions (see below), items may be exchanged for the same item in a different size. If a refund is required, we can issue a store credit that can be used against future purchases.

In order for a return or exchange to be accepted, the item must be returned within 14 days and be unused in the original packaging with all tags still attached. We ask that you let the shop know (by email) that you intend to exchange/return the item and provide us with the date of purchase.

Unfortunately we are unable to offer exchange or return of hats, or socks/stockings (unless unopened) due to hygiene reasons.

Faulty/defective items can be returned anytime within the warranty period and will be returned to the manufacturer for repair.

We thank you for your understanding.

### Volunteering in the Uniform Shop

The uniform shop continues to rely on volunteers in order to operate. We are in urgent need of new volunteers, particularly to cover the 2.30-3.30pm shift. If you can spare an hour to help out, please contact me with your availability. You will be working alongside the uniform shop manager (me) as well as experienced volunteers so you will have plenty of support whilst you learn. Don't be shy! It's a great way to meet other parents and the more volunteers we have the more fun it will be for everyone. Thank you for your support.
