Principal's Message

Dear Parents,

A very warm welcome back. It has been a very busy start to the term. The colour run was huge success and enjoyed by parents, staff and students. My most favourite quote of the day "I wish this day could last forever". Thank you Eve and her team of parents for making the day so enjoyable and of course thank you to all the parents for supporting this fund raising initiative. Thank you to the parents who participated in the Working Bee, you had a difficult task cleaning up the area behind NOOSH. It is looking a lot better. Thank you.

A reminder of the Term 2 COVID Protocols

- Isolation requirements for close contacts have changed meaning that from last week students and staff can return to school as long as they have no symptoms and follow the close contact guidelines to do so, including daily rapid antigen testing (RAT) and wearing a mask indoors.
- Additional supplies of RAT kits have been distributed to all students at Normanhurst PS.
- NSW Health have updated the advice for students and staff returning to school after testing positive for COVID-19 including the recommendation to wear a mask for an additional 3 days after the 7-day isolation period.
- No student or staff member identified as a close contact will be permitted to participate in overnight excursions, including school camps.

Term 2 - Road Safety

**SCHOOL
ZONE**

**Road
Safety**

Term 2 - 2022

Welcome to the Term 2 School Zone Road Safety Newsletter. In this edition we remind drivers about the rules for the No Parking zone at your school. Using these zones correctly provides a safer and more efficient resource for all drivers.

**HORNSBY
SHIRE COUNCIL**

Do you know how to use the No Parking zone at your school?

Most schools have a No Parking zone at the front or near it. These zones are designed for drivers to stop for no more than two minutes to drop-off or pick-up a passenger. The driver must remain with their vehicle at all times. **NO PARKING ZONES ARE NOT DESIGNED FOR DRIVERS TO SIT AT THEIR LEISURE UNTIL THEIR CHILD APPEARS.**

- If your child(ren) is being picked up from the No Parking zone outside the school, only stop there when they are ready to enter your vehicle. If they are not waiting within the zone, move away and come back later. This will free the zone up for other drivers whose passengers are waiting.
- If your school runs an organised pick-up program from the No Parking zone at the front of the school, follow the instructions issued by the school executive.
- When dropping your child at school within the No Parking zone, ensure you have given them a hug and kiss at home, so the child can leave the vehicle independently, to minimise your time within the zone.

Walk Safely to School Day - Friday 20 May 2022

As you are aware, walking to school has many benefits for students, parents and the surrounding community. Walking with your child will help them develop vital road crossing skills and is an opportunity to teach them about road safety and independence. It also gives you both exercise, gets you out of the car and away from the traffic congestion, reducing air pollution and car dependency.

On Friday 20 May 2022, all students across Australia, are being asked to participate in National Walk Safely to School Day, in conjunction with their school, or independently. For further information visit: walk.com.au.

National Walk Safety to School Day - Friday 20 May

ACTIVE KIDS ARE SMARTER KIDS

FRIDAY 20 MAY 2022

A challenge to all Australian Primary Schools and Councils

National Walk Safety to School Day (WSTSD) is on Friday 20 May 2022. Now in its 23rd year, the annual campaign encourages all primary school children, their parents and carers to walk safely and regularly to school.

The event seeks to promote road safety, health, public transport and the environment.

Australian children are becoming less active. One substantial contributor is the decline in walking and/or taking public transport to school. Children who are regularly physically active are healthier, perform better academically and are less likely to be obese or overweight. Sedentary behaviour can lead to long-term and costly risks of illnesses such as heart disease and diabetes.

Walking regularly is the best exercise because you can build it into your daily routine.

The objectives of National Walk Safety to School Day are:

- To encourage parents and carers to walk to school with primary school age children
- To promote the health benefits of walking and create regular walking habits
- To help children develop vital road crossing skills and ensure children up to the age of 10 years hold an adult's hand when crossing the road
- To reduce car dependency and traffic congestion
- To reduce the level of air pollution created by motor vehicles
- To promote the use of public transport

How to participate (detailed information is at walk.com.au):

Enclosed is the WSTSD kit which contains tattoos and posters for school and council noticeboards. We ask that every student wears a tattoo on the day to help promote this important community event. Other ideas include:

- Use the teachers' Tool-Kit and publish WSTSD information in your school's newsletter
- Display the poster on your noticeboard and around school (print more from our website)
- Print and colour in the online poster
- Ask your P&C and council to help promote and support the campaign and event
- Host a Healthy Breakfast (ask your P&C, council and local supermarket / grocery store to sponsor a breakfast at your school)
- Tell your parents, friends, carers, teachers and local businesses about the event
- If you can't walk all the way, combine a walk with public transport
- If you must use the car, try leaving it a good distance from the school and walk the rest of the way
- Register your school as a WSTSD Ambassador and assist with publicity

Thank you for your support and participation.

**Until they're ten, children must always hold

P & C - Fundraising & Social News - Colour Run

Thank you to all the Parents who were able to kindly donate their time to help facilitate our very first Colour Run on Friday 29 April.

We could not have done it without you! Bonita Chan, Brooke Lennox, Cara Glanville, Cate Mitiku, Caz Innocente, Edd Smith, Elana Zunica, Ella, Erica Southern, Greg and Zanny Waters, Ian and Jane Air, Julianne Hallam, Katrina Heckendorf, Kelly Jones, Kylie Roberts, Leah Manwaring, Lucinda Pescod, Margaret Lee, Marilyn Jackson, Steph Farmer, Tennille Cheong. Plus our three wonderful photographers that helped to capture great photos of the fun, Azam Vahabzadeh, Stuart Reid and Xing Tan.

It looks like the final fundraising tally is just over an amazing \$22,500. Our highest fundraising student award goes to **Amaya De Silva (3K), raising \$1,000.** Thank you Amaya for your phenomenal contribution to this school event. Second highest fundraiser goes to **Cara Chen (6M), raising \$570** and a very close third to **Oliver Hadiardja (3S), raising \$565.** Well done! We are so proud of your efforts and celebrate your success.

Highest fundraising class was 3S, raising a jaw-dropping \$3,495. 3S you are a remarkable team and can achieve anything you put your mind to.

5W gets the award for most profiles created with 19 students starting fundraising profiles. That is a wonderful participation achievement of 5W.

From our 391 students, 195 profiles were created and 185 students raised funds. There are a limited number of leftover sunglasses and rainbow headbands for children that didn't make it on the day, and these can be collected from the office (first in best dressed.)

Thank you to our brave volunteers who made the Working Bee on Saturday 30th April an enormous success. It started as a rainy day where cancellation looked to be a strong possibility. Thanks to the P&C committee members Ian Air and Edd Smith who organized, catered and taxied wheel barrows. The next Working Bee will be at the end of Term 2/early Term 3. We will hope for sunny fine weather and a bigger turn out so that we can achieve even more. Pop us an email at fundraising@npsandc.com if you'd like to be kept in the loop for the next Working Bee.
